Part Number	Diameter	Length
15-HO-2010	1-1/2"	15'
15-HO-2025	1-1/2"	25'
15-HO-2050	1-1/2"	50'
20-HO-2015	2"	15'
20-HO-2025	2"	25'
20-HO-2050	2"	50'

Series 3000

(Abrasion Resistant)

- High Abrasion Resistant
- Good Flexibility
- Static dissipating
- 6" Bend radius
- Raw ends (slide over tools)

Part Number	Diameter	Length
15-HO-3025	1-1/2"	25'
15-HO-3050	1-1/2"	50'
20-HO-3025	2"	25'
20-HO-3050	2"	50'
25-HO-3025	2-1/2"	25'
25-HO-3050	2-1/2"	50'
30-HO-3025	3"	25'
30-HO-3050	3"	50'
40-HO-3025	4"	25'
40-HO-3050	4"	50'

Series 4000

- Swivel Cuffs
- Copper strand wire
- Static dissipating
- FDA construction

Part Number	Diameter	Length
15-HO-4025	1-1/2"	25'
15-HO-4050	1-1/2"	50'
20-HO-4025	2"	25'
20-HO-4050	2"	50'

Hose Connector

Part Number	Dia	Material
15-CH-AC-2017	1-1/2"	Chrome
20-CH-AC-2017	2"	Chrome
15-AL-AC-2027	1-1/2"	Aluminum
20-AL-AC-2027	2"	Aluminum

Inlet Valve Adapter

Part Number	Diameter
HA-150	1-1/2"
HA-200	2"

1-1/2" STANDARD TOOLS

Floor Rods

15-AL-FT-4400
ALUMINUM

15-SS-FT-4410
STAINLESS STEEL

Floor T

15-AL-FT-4420
Aluminum
17" Wide

15-SS-FT-4430
Stainless Steel
17" Wide

Crevice Tools

1-1/2" x 24" Long Crevice Tool
Anodized Aluminum
Part Number **15-AL-HT-2032**

1-1/2" x 15" Long Crevice Tool
Chrome
Part Number **15-CH-HT-2010**

1-1/2" x 24" Long Crevice Tool
Chrome
Part Number **15-CH-HT-2036**

Hand Tools

1-1/2" x 5" Round Brush
Aluminum
Part Number **15-AL-HT-7070**

1-1/2" x 4.5" Duck Foot Tool
Plastic
Part Number **15-P-HT-4002**

2" STANDARD TOOLS

Wide General Surfaces

Recommended for cleaning large flat surfaces areas.

Extension Rod
Part Number
20-AL-FT4550

2" x 20" Wide Floor Tool
* Adjustable Wheels
* Squeegee & Nylon brush (Interchangeable)

Part Number **20-AL-FT4560**

2" x 24" Long Crevice Tool
* Chrome Steel
Part Number **20CS-HT-2110**

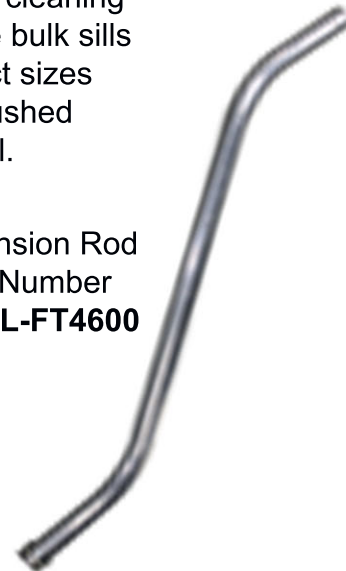

2" x 10" Wide hand tool
* Cast Aluminum body
* Nylon bristles
Part Number **20-AL-HT2510**

2" x 6" Wide hand tool
* Cast Aluminum body
* Nylon bristles
Part Number **20-AL-HT2520**

Bulk Tool

Recommend for cleaning areas with some bulk sills or bigger product sizes that would be pushed by the brush tool.

Extension Rod
Part Number
20-AL-FT4600

2" x 12" Wide Floor Tool
* Notched front
* Cast aluminum threaded connection
Part Number **20-AL-FT4610**

2" x 5" Wide hand tool
* Polyethylene Conductive Copolymers
* Serrated Face
* Light weight
Part Number **20-SC-HT3000**

2" x 3" Round hand tool
* Cast Aluminum body
* Nylon bristles
Part Number **20-AL-HT2500**

2" x 4" Round hand tool
* Polyethylene Conductive Copolymers
* Brush with brass & Nylon bristles
Part Number **20-SC-HT3040**

CONDUCTIVE RUBBER

Tools are made of a heavy duty but light weight polyethylene conductive copolymer.

- Static Dissipating
- Surface Resistivity level: 103 – 105 Ohms/Square
- Temperature range -40°F to 140°F.
- 5" wide open face with serrated edge to ensure airflow at all times.
- Zinc galvanized 1-1/2" or 2" O.D. for hose connection.

1-1/2" P/N 15-SC-HT3000
2" P/N 20-SC-HT3000

1-1/2" P/N 15-SC-HT-3020
2" P/N 20-SC-HT-3020

1-1/2" P/N 15 SC-HT-3040
2" P/N 20 SC-HT-3040

1-1/2" P/N 15-SC-HT-3030
2" P/N 20 SC-HT-3030

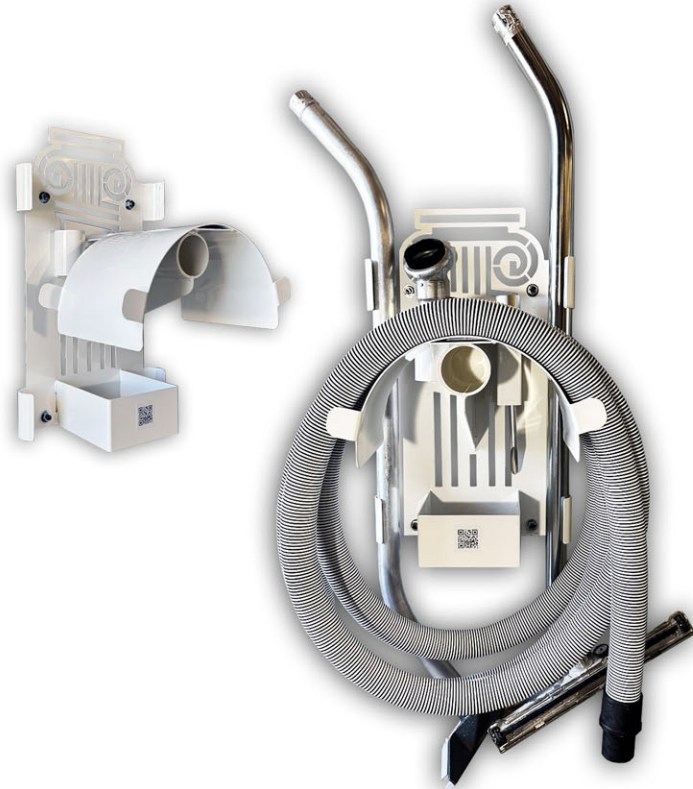

1-1/2" P/N 15 SC-HT-3010
2" P/N 20 SC-HT-3010

HOSE RACKS & STORAGE

Deluxe Hose & Tool Rack System

"The Arno Rack"

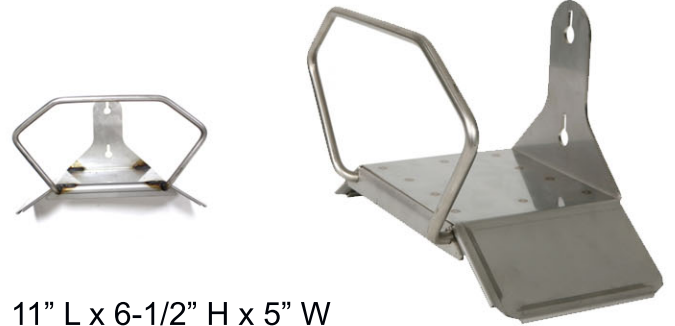

- Multiple configurations available.
- Store hose and tools in one location
- Storage for crevice tools and hand brush as well as the floor rod.
- Designed to hold one floor rod, or two if the system uses a bulk tool and wide floor tool.

[Click here for video of this product](#)

Basic Hose Rack

- 11" L x 6-1/2" H x 5" W
- Keyhole slots for easy installation.
- Constructed of 12 gauge 304 stainless steel

Part Number SS-AC5090

Storage Cabinet

"The Dirt Locker"

- Storage Locker with Hose Rack
- Store hose and tools in one enclosed cabinet
- Tool support for carbon fiber poles
- Internal light
