

Series 3000 AR Abrasion Resistive Hose

Heavy-duty abrasion-resistant suction hose. Handles crushed rock, sand, pea gravel, cement powder, metal shavings, and dry fertilizer. Static dissipating SBR with a rigid PVC helix.

- Static Dissipating – Surface resistivity Level: 10^9 Ohms/Square
- 1-1/2", 2", 2-1/2", 3" & 4" – Length up to 100'
- Negative vacuum to -29.2" Hg
- Temperature range -40°F to 140°F.
- Minimum Bend Radius 4"
- Smooth bore, Corrugated cover.
- Raw ends slide over tools.

Part Number	Diameter	Extended Description
15-HO-3025	1-1/2"	25' Ft. Long Black AR static dissipating hose
15-HO-3050	1-1/2"	50' Ft. Long Black AR static dissipating hose
20-HO-3025	2"	25' Ft. Long Black AR static dissipating hose
20-HO-3050	2"	50' Ft. Long Black AR static dissipating hose
25-HO-3025	2-1/2"	25' Ft. Long Black AR static dissipating hose
25-HO-3050	2-1/2"	50' Ft. Long Black AR static dissipating hose
30-HO-3025	3"	25' Ft. Long Black AR static dissipating hose
30-HO-3050	3"	50' Ft. Long Black AR static dissipating hose
40-HO-3025	4"	25' Ft. Long Black AR static dissipating hose
40-HO-3050	4"	50' Ft. Long Black AR static dissipating hose
